NOMINAL ROLL – ASSOCIATION MEMBERS

This Nominal Roll, first suggested in June 2020, is based on an 'opt-in' model; that is all members included below have advised the Association Secretary by email of their wish to be included.

** Indicates members who have been added since the previous version.

As of 6 February 2022, the list contains just 299 names, but this should grow over time. Only around 200 to go!
