The Sub-Committee must start detailed planning!

Cambrai Day Parade – November 2023

Our Objectives

The objectives of the 2024 Adelaide Reunion Sub-Committee are to:

- Gather as many veterans of the Regiment, as well as other 'black hats' as possible for a major reunion.
- Provide an opportunity for former veterans of the Regiment, as well as other 'black hats', to visit the Regiment and to actively participate in arranged activities.
- Meet and socialise with serving members of 3/9 Light Horse and members of the South Australian Mounted Rifles Association.
- Meet and enjoy each other's company in a semi-formal environment that recognises older traditions as well as current societal norms.
- Provide a Reunion Schedule that allows for veterans to arrange ad-hoc social activities.

STOP PRESS – 21 December 2023

Subject to contract negotiations in January 2024, the Meet and Greet and the Beersheba/Cambrai Dinner are to be held at the Hilton Hotel in central Adelaide. The Hilton will be providing an accommodation discount to Association members. Watch this Space!

Costings and Registration

Estimated events and registration costs may vary depending upon the number of attendees as well as economic factors. There will be a small additional charge for non-Association members (this does not apply to partners, and family members, who attend with an Association or Serving member).

Deposits of around 15% may be required in advance – invoices are to be issued by the Association so that bookings with venue/event operators may be locked in. Deposits are fully refundable in case of illnesses, etc. Payments by instalment are acceptable.

Other Activities

It may be possible to combine some other activities between scheduled events, depending on demand. In addition, a bus and driver may be engaged for individual groups to travel away from the Adelaide CBD.
