If you have registered with the Regiment, the Association will not have your name. The Regiment may release those names at some time in the future. Because it is through an event's organizer, it may be some time before we know who has registered with the Regiment.

The Association has sent out an expression of interest (EOI) for events being organized by the Association. If your name is not on our list in this [update](#), it is because you have not logged an EOI with us yet.

We have booked a function room at Mawson Lakes Hotel for a Meet & Greet on Thursday 10<sup>th</sup> and a brunch on Sat 12<sup>th</sup>. Info and pricing below. All those travelling over for the parade, are welcome to attend both Association events, however we need to know you wish to do so. If you have already indicated, you will be attending there is no need to register again, we will send you an invoice in the coming week.

Parade details so far. Veterans will march on as part of the Squadron in which they served and have nominated during the registration process. If you served in more than one Squadron pick one to march on with. Members will form up with that Squadron, in the Squadron area prior to marching on. Squadron areas will be indicated to you upon arrival. You will become part of the Squadron for the parade and the celebration after. You will not be expected to maintain the pace of today's soldiers during the march, they will march on at a slower pace in keeping with veterans' capability. Dress for Veteran Participants is Jacket and Tie (ladies equivalent), berets and medals optional. Association members should consider wearing both. More info to come.

Timings for arrival at Edinburgh, and process for getting onto the base are still to be released. Be advised that apart from your entry ticket, you may need some sort of photo ID (Yet to be confirmed by the Regiment) driver's license being the most accepted form of ID.
